PARTI

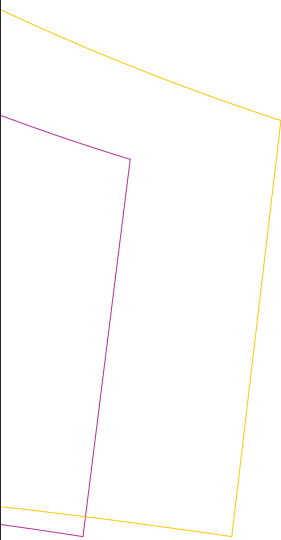

The image features a minimalist, abstract design on a light gray background. Four thin, curved lines in yellow, purple, green, and blue sweep from the top left towards the bottom right. These lines are interrupted by a series of nested, slightly offset rectangular shapes in the same color palette, creating a layered, architectural effect. In the lower-left quadrant, the text 'E TRASERA' is displayed in a large, bold, black, sans-serif font. The overall composition is clean and modern, with a focus on geometric forms and color contrast.
